What is Chi Alpha?

Chi Alpha is an interdenominational student ministry dedicated to reaching the secular university. We do this through being a community of worship, prayer, fellowship, discipleship, and witness. Though an outreach of the Assemblies of God, the students involved come from a myriad of denominations including Baptist, Catholic, and Methodist, as well as those with no church background at all.

Why the University Campus?

The university campus is one of the most strategic mission fields in the world.

Chi Alpha reaches the crossroads of the world

When the Apostle Paul began to spread the Gospel, he chose large cities and ports for a reason. Not only were they centers for new ideas, but they were also crossroads where people would both come to him and take what they learned with them when they left. **The university campus is a modern day equivalent!** Young people from literally all over the world come to American universities. They come seeking not only an education, but to define who they are and what they believe. They are very open to new ideas!

The University Shapes the World

Today's students are tomorrow's leaders in:

*Business Science
Government Education
and more!*

As leaders they will have tremendous influence and be role models to those around them. Imagine if we reached the future Bill Gates or President Bush!

College students will reach the world

Plus, the world sends its best and brightest to study in America:

- There are currently over half a million international students in America
- 40% of all current world leaders studied in America
- Countries closed to traditional missionary endeavors send their future leaders here

Every tribe, tongue, and nation comes to us

Conclusion

I hope you have gotten a sense of how Chi Alpha hopes to meet its vision of "transforming the university, the marketplace, and the world." The university campus is truly one of the most strategic mission fields in the world. By focusing on a few hundred acres, we can reach the future leaders of our world and have a global impact.

"Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver." - 2 Corinthians 9:7

Reaching the hearts of tomorrow's leaders

Along with the Apostle Paul I say "I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now."

- Philippians 1:3-5
